Dear Ms Pooja Merchant.

This is in response to your email regarding communication skills and personally development training to be conducted for MBA students.

After verbal discussion, the training is to be split into two halves :

1. Communication skills
2. Personally development

The communication skills training will be designed for 3 months.

The fees will be Rs. 18,000/=.

The schedule will be Monday to Friday 3 to 4 pm.

The content will be as per your email;

Communication Skills

1. Parts of Speech (Intermediate)
2. Types of Sentence
3. Tenses in detail
4. Active & Passive Voice
5. Vocabulary Building

Assuring the best services and waiting for your formal approval well in advance to schedule and prioritise my appointments.

Thanking you.
Yours faithfully

Report on ICT facilities

Information and Communication Technology (ICT) facilities play a vital role in colleges by providing essential support for modern teaching, learning, research, and administrative activities. These facilities encompass a wide range of technological resources and services tailored to meet the diverse needs of students, faculty, and staff.

Teaching and Learning Support: ICT facilities in colleges include classrooms equipped with multimedia tools such as projectors, interactive whiteboards, and audiovisual equipment. These resources enable instructors to deliver dynamic presentations, engage students with interactive content, and facilitate collaborative learning experiences.

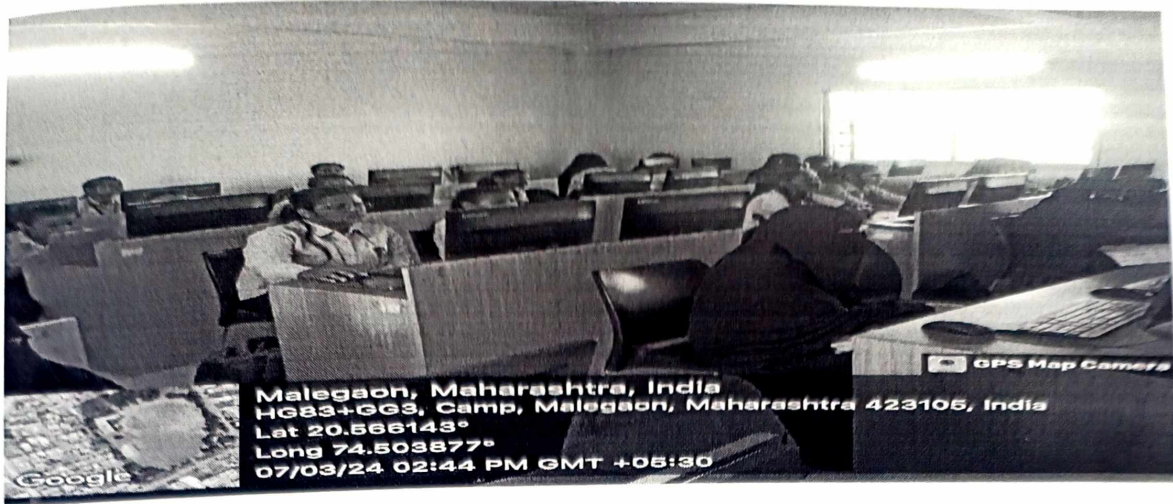

Computer Lab: our institute maintained computer lab equipped with desktop computers and laptops, software applications, and internet access.

Research Facilities: our college support research endeavors by providing access to specialized software, databases, online journals, and digital libraries.

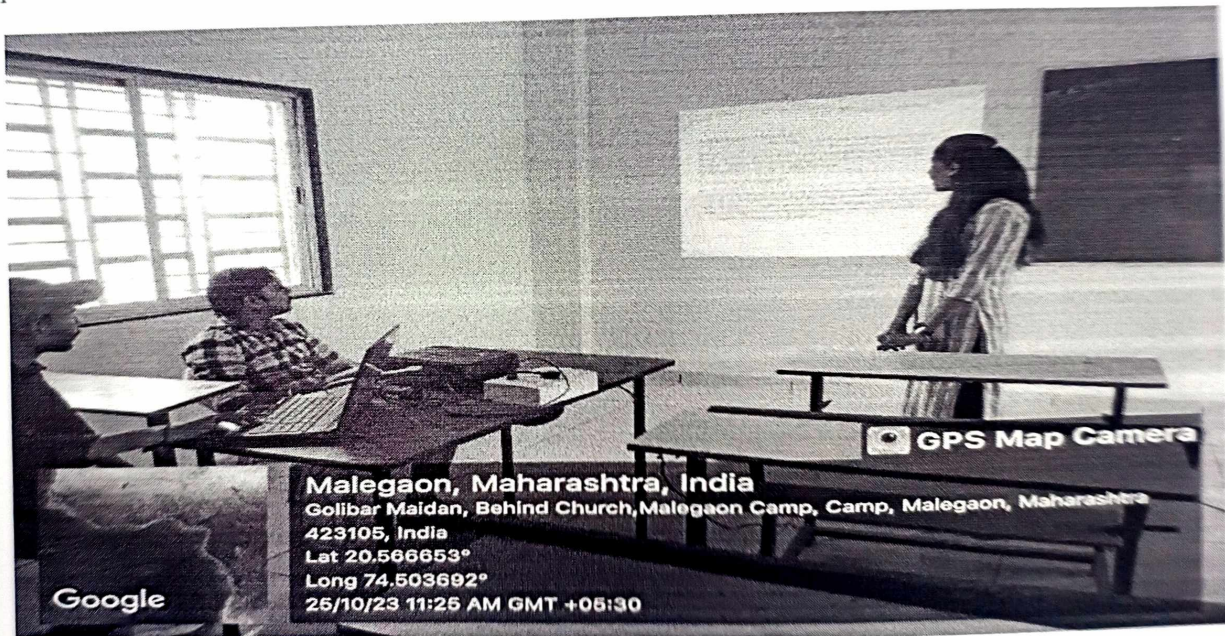

E-Library Resources: The college has integrated ICT tools and services into its library facilities to enhance access to information and support research activities. These included e-books, digital archives, and multimedia resources accessible both on-site and remotely. Students have effectively utilized library resources in ICT facilities to access a wide range of academic and research materials for their information and learning needs.

Computer Lab- The ICT (Information and Communication Technology) facilities available in a computer lab are an effective way to inform and educate users about the resources and services they can access.

Students have utilized the features available in Microsoft Office, and they have created a well-formatted SIP project document that effectively communicates their research or internship experience. Students have Created PowerPoint presentations for the SIP (Student Internship Program) and show presentations using a projector. Students are encouraged to give PowerPoint presentation on the topic from their circular subject.

REPORT OF LANGUAGE LAB

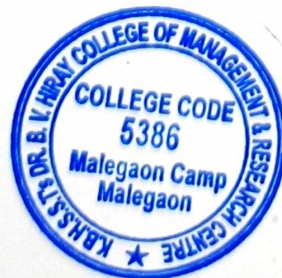

A language lab is a vital resource in educational institutions for enhancing students' language learning experience. This report aims to evaluate the effectiveness and usage of the language lab at our institution over the past academic year. The language lab at our college serves as a dynamic platform for students to engage in language practice through computer-based exercises and activities. The advanced features and functionalities of the language lab, offer a unique and enriching experience compared to traditional teaching methods.

In a language lab, a variety of activities are carried out to enhance language learning such as Speaking Practice, Offline tests, General Vocabulary, Soft Skills, Writing, Speeches, Presentation skills, and Voice & Video chat.

The Language Lab at our college, powered by ETNL (Enhanced Teaching and Learning), is a state-of-the-art facility designed to refine students' linguistic skills in English. The Language Lab is equipped with computers, high-speed internet access, and comprehensive audio-visual aids, the lab provides an immersive environment for effective teaching and learning of various aspects and skills of the English language.

Primary objective:

- 1 To encourage students to explore relevant journals and articles discussing communication theories, best practices, and case studies.
2. To offer access to language learning resources in English through language learning software, online courses, and digital language learning platforms available in the library.
3. To prepare them for job interviews and future work environments.
